

Sala Napoleonica  
via S. Antonio 12, Milan

Abstract / Extended Abstract  
Submission  
1<sup>st</sup> July 2024

Workshop Registration  
9<sup>th</sup> September 2024

SETAC Italian Language Branch 3<sup>rd</sup> Workshop  
7-8 October 2024 | Milan

Hosted by

UNIVERSITÀ  
DEGLI STUDI  
DI MILANO

## Free Registration

Email to:

[setac.ilb.2024@gmail.com](mailto:setac.ilb.2024@gmail.com)

(max 100 participants)

## Call for Abstracts

Submit your abstract to:

[setac.ilb.2024@gmail.com](mailto:setac.ilb.2024@gmail.com)

The Abstract template (mandatory format)  
is available at

[italianbranch.setac.org](http://italianbranch.setac.org)

## Session Topics

- Environmental and human toxicology: from molecules to organisms, from omics to in vivo
- Ecotoxicology becomes stress ecology: from populations to ecosystems and landscapes
- Environmental chemistry and exposure assessment: analysis, monitoring, fate and modeling
- Ecological and human health risk assessment of chemicals, mixtures and stressors and risk mitigation strategies
- Life Cycle Assessment and foot-printing
- Environmental policy, risk management, and science communication
- Moving Beyond - Cross Cutting Themes, Emerging and Transdisciplinary Topics

## Best Young Italian Scientist Award

PhD students are invited to submit an extended abstract in English to [setac.ilb.2024@gmail.com](mailto:setac.ilb.2024@gmail.com) (maximum 2 pages, the mandatory template is available at the Workshop webpage).

First selected will be awarded with a free registration at the next 35<sup>th</sup> SETAC Europe Annual Meeting. Second and third selected candidates will receive a certificate of qualification.
